### Aid Stations / Toilets

Aid stations can be found on course every few kilometres and at both the start and finish lines. Toilets are located at the start/finish precinct, as well as at all aid stations. See the event website for aid station locations and the services available at each aid station

### Race Bibs

Race bibs are fitted with timing chips and must be visibly pinned to the front of your shirt/singlet prior to starting the event. Medical conditions must be clearly detailed on the back of your race bib, along with emergency contact details.

### Clothing Service

We offer a clothing drop off service for all participants, available only at Pack Pick Up

held on Friday 4 and Saturday 5 October. There will be **NO CLOTHING DROP OFF ON RACE DAY.**

### On-Course Restrictions

The use of bicycles, skateboards, electric skateboards, rollerblades/skates, Prams/strollers or any other similar mode of transport is not permitted on course.

No animals are allowed on course, with the exception of Registered Service dogs.

### Medical Safety

Your health is our utmost priority. Medical services will be available on course at select aid stations, and at the start/finish line and event precinct. If you are feeling unwell at any stage of the course, speak to a course marshal or volunteer who will be able to contact our medical team.

## Getting to the Event.

### Public Transport

Free public transport is offered to all participants and volunteers on any Transperth train service when traveling to or from the event on Sunday 6 October until 4pm. Special event train services will be running, with information available on the Perth Running Festival website. Participants must show their race bib to travel free.

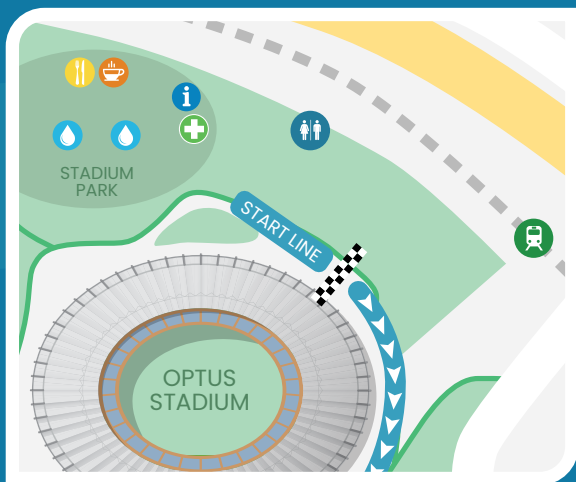

### Parking

Strictly limited event parking available at Belmont Park. Due to road closures after 4.30am, Belmont Park is accessible from Graham Farmer Freeway eastbound only. We strongly recommend participants use the free Transperth event services.

### Road Closures

The latest information on road closures will be available on the Perth Running Festival website.
